

Grenier Makes Clean Sweep at Costa Daurada International

Anthony Grenier (PGA of France) took both the individual Professional and the Team honours at the 2019 Costa Daurada International Pro-Am at Lumine Mediterránea Beach & Golf Community in Spain.

Having started his final round one-shot off the lead, **Grenier** remained steady whilst most struggled to maintain their composure in the strong wind that blew throughout the day on Lumine's Lakes Course.

His two-under par 69 would move him to eight-under par (206) in total, giving him a comfortable four-shot advantage over the runner-up.

"I am very happy. The golf courses were not easy, but my game was good, my putting was good, and my driving was excellent, so I am happy," said the Frenchman.

"I'll be playing the PGAs of Europe Fourball Championship next week with **Franck Arcivaux** and we hope to do well too. I spent ten years playing on Challenge Tour, so I used to practice a lot, but now it is different - I spend most of my time teaching," he added after going straight to the driving range after his win.

PGA of Spain Professional, **Emilio Cuartero**, did his best this week to defend his 2018 title, but the wind proved too strong for him to keep up with **Grenier**. A final round two-over 71 meant he would finish his tournament at four-under par (210) taking second place, one shot ahead of PGA of France Professional, **Emilien Chamaulte**, who finished third on three-under (211).

In the Team Pro-Am category, **Grenier** again placed first with his team of **Stephane Desmares**, **David Labourgigne** and **Renaud Parenteau**, with a total score of 255 stableford points (-39).

Second place, with 248 stableford points (-32) went to team **Hesbois**, led by PGA of Belgium Professional, **Kevin Hesbois**, with **Emma Van de Rostyne**, **Jorgo Mahieu** and **Stefan Cramers**. Whilst third place, with 245 points (-29), went to PGA of Italy Professional, **Federico Maccario**, with **Lorenzo Larcher**, **Gianluca Capra** and **Mirko Taglierino Carola**.

LUMINE Mediterránea Beach & Golf Club

Located on 170 acres, Lumine Golf Club's two 18-hole courses, the Greg Norman designed Lakes Course, and the white-pine-lined Hills Course, will host the championship once again. Winding its way around the picturesque Sèquia Major wetlands, the Lakes course bears all the hallmarks of the Great White Shark and is undoubtedly the most testing of the resorts three courses. A links-style championship layout, it features several water hazards and tests all aspects of the game. Located within 170 acres, LUMINE Golf Club also includes the more traditional Hills Course, a second 18-hole championship course that runs through pine and olive trees with spectacular views of the nearby coastline.
